A note on this month's shows

In case you're wondering what's been happening with the Bizcommunity/Chai FM Media & Marketing radio show this month of October 2011, since Chai FM is a Jewish community radio station and this is the month of various Jewish high holy days (Rosh Hashanah/New Year, Yom Kippur/Day of Atonement and Sukkot/Festival of Booths), there are some weeks in which there are no shows as the station is closed, and some where we will be running 'Best of Biz Takeouts' as various personnel will be away. We'll return fresh and revitalised in November!
