

Freelance Copywriter

Hello Bizcommunity world,

I have capacity to take on freelance copywriting work, and I am looking to build long-lasting business relationships. My experience includes writing copy for digital campaigns (mainly social media), conceptual work, radio scripts, TVC scripts, e-mailers and more.

I would ideally like to assist with ad-hoc tasks or overflow work that I can do in my own time, but I assure you I will meet deadlines efficiently.

Please reach out to me to chat further. CV available upon request.
