Complete with state-of-the-art facilities, Le Franschhoek also offers the largest conference facilities in the Franschhoek winelands area, with five conference rooms able to seat between 10 and 140 people.

Because of its location and Le Franschhoek's offering as a resort-style retreat, the luxurious elements and attention to detail make for some innovative conference breakaways - whether it be wine or cheese tasting, team-building exercises, use of the facilities at the deluxe Camelot Spa or soaking in the café culture of the Franschhoek village.

Impress your clients or employees by merging business and pleasure, for a "business in the country" experience, offering wine blending team building after a productive conference session.

Décor is an elegant fusion of contemporary Euro-classicism and modernist Cape sensibilities with 63 stylish rooms. Choose from Valley-facing to the River Suites with their luxurious gardens, Vineyard Suites or chic Garden Suites set in a rose garden. Le Franschhoek has accommodation to suit any number of groups.

Le Franschhoek's other facilities also include Dish and Le Verger Restaurants, a swimming pool, tennis court, ballroom, and a lounge for glamorous evenings.

The extraordinary setting and post-conference relaxation elements ensure that Le Franschhoek Hotel presents itself as the ultimate stress-free Cape conference venue.
