

Chery Tiggo 7 Pro Max launched in SA

Chery's presence in the new-car market seems to be more prevalent with each passing month. The Chinese automaker gains market share by diversifying its portfolio with products that are attractive to more new-car buyers. The company's SA range grows this week with the addition of the Chery Tiggo 7 Pro Max.

The Chery Tiggo 7 Pro has already been available in SA for some time. In Chery speak, 'max' refers to the larger engine offered in any range. The Tiggo 7 Pro has, until now, been offered with a 1,5l turbocharged petrol engine mated with a CVT.

Chery brings updated Tiggo 8 Pro to SA
