

## Check hot water bottle numbers, return to Woolworths

Woolworths would like to remind customers who purchased hot water bottles last year that it recalled these due to safety concerns. Before filling hot water bottles, customers are requested to check the style numbers and return the affected range to the nearest store for a full refund.

The style numbers are 501120262, 501120270 and 501120254, barcodes 600910139792, 6009101397440, and 6009101147731.

If customers have any questions, please contact Customer Services on +27 (0) 860 022 002 or email [custserv@woolworths.co.za](mailto:custserv@woolworths.co.za).
