Sunday World adds two new features

The Sunday World has added two new features, 'The Shopping Trolley' and the 'Food' page.

While 'The Shopping Trolley' will be a weekly addition, the 'Food' page is a bi-weekly read that will alternate with the current 'Gadget' page.

THE SHOPPING TROLLEY As this way when the the transformed and the

nyama' plate to a breyani. Readers can explore various foods, expand their palate and sharpen their cooking skills. Food enthusiasts can indulge in a 'how to' cooking guide and follow 'step by step' recipes for everyday use or special occasions, edited by Features Editor, Babalwa Shota.

The 'Food' page features dishes for all occasions and seasons tackling anything from a 'chesa

'The Shopping Trolley' gives consumers a weekly shortcut to help them make wise and costeffective shopping choices. It offers weekly shopping tips and comparative price-checks on popular household items available from the four major retailers: Pick n Pay, Checkers, Woolworths and Spar.

Sunday World Editor, Abdul Milazi says, "It is one of the many valuable additions that will give our readers more information to make their lives easier. This is the first of some of the elements we have in the pipeline to help our readers further enrich their lives."
