

Register now for the 2015 Africa CEO Forum

The Africa CEO forum will take place from 16-17 March 2015 in Abidjan, at the Hotel Sofitel Ivoire. The event is an international meeting of top African business leaders and a must-attend event for anyone interested in the strategic priorities of Africa's private sector.

The 2015 Africa CEO Forum will provide an ideal arena for discussion and is designed to facilitate networking and to encourage participants to share their experience, know-how and best practices. Take part in the 2015 AFRICA CEO FORUM and enjoy:

Attendees will have the opportunity to expand their network of top-level business contacts; find new financial partners; be a driving force in the development of Africa's private sector; discover and share the best practices of fast-growing companies; and promote their companies in Africa and abroad. They will also enjoy a practical conference programme which addresses key issues.
