

SA Innovation Summit launches 'Emerging Companies Insights' publication

At the 2015 SA Innovation Summit, PwC, in collaboration with Microsoft BizSpark, the Silicon Cape Initiative, City of Tshwane and Wesgro, will officially launch the Emerging Companies Insights publication.

Innovation intelligence is the theme for this year's Summit, which brings entrepreneurs, innovators, designers and technology enthusiasts together with incubation managers, angel investors, CEOs, CFOs, venture capitalists and product developers at Cape Town Stadium from 26 - 29 August 2015.

For the first time ever, the SA Innovation Summit features a Market on the Edge on 28 and 29 August with attractions for the whole family to eat, shop and play.
