

Full line-up for Afriski Winterfest announced

Afriski WinterFest is an all-out après-ski adventure for music, festival and snow junkies at Afriski Mountain Resort, Lesotho's premier powdery playground. With from rock and indie to electro, house and DnB there will be four stages and all styles to choose from and enjoy. Here's a taste of some the artists that will make the slopes come alive from Thursday, 24 August 2017 to Sunday, 27 August 2017.

Lesotho's very own DJ Black Sparrow, who will heat up the Cooler Box stage with his energetic, eclectic and interactive style and DJ Mocheques who will bring all things deep, funky and soulful. Also watch out for Black Motion, a South African dance music duo, who make waves wherever they go, with their percussion driven electronic dance music.

For those who love music that never dies, RoyalK will give you the best combination of progressive and electro house. Enjoy the cheerful, catchy melodies and quirky lyrics of Rubber Duc or DJ Abby Nurock's old school and current/new school beats, never afraid to go too deep or too disco.
