In their 17th edition, Wan-Ifra's annual Asian Media Awards attracted 435 entries from countries all over Asia and the Middle East which competed for excellence in editorial content, design, infographics, photography, printing quality, newspaper marketing and community service. Over 30 judges from international media companies in 13 countries evaluated the entries in recent months to select the 39 award winners honoured at Publish Asia.

Best in Print

Participants in the 2018 International Newspaper Colour Quality Club (INCQC) competition from Asia Pacific, South Asia and Middle East will benefit two folds: they will automatically also participate in the competition for the Asian Media Awards "Best in Print Awards" and therefore stand two chances to be awarded.

Results for Best in Print will only be release in June 2018.

Held for the second time in Bali, Publish Asia is Wan-Ifra's premier conference in the Asia-Pacific region. Follow the events on Twitter, using hashtag, #pa18bali.
