It's been a very busy few weeks at Howard Audio. Recently, we picked up a few awards for our work that we'd like to share with you.

The latest Allan Gray TV campaign – for which Adam Howard composed the original music – won “Best Of Reel” from iDidTht Craft Awards for June 2018. We are proud to have been involved with this very special project. Listen out for the solo flugel horn which Adam performed for the piece...

Adam was asked by Rob Roy Music and agency Havas to play flugel horn on a radio tribute to the late Bra Hugh Masekela. The tribute was commissioned from Record Company - Universal Music.

Having known Bra Hugh personally, it was an emotionally charged session for all. The spot eventually picked up a Silver Lion at the Cannes Awards in June which we are all thrilled about. Congratulations to Rob and the whole team.
