

Dean Page new CEO at Concargo

Dean Page has joined Concargo as the new CEO from 1 March 2010, reporting to David Kruyer, founder and chair.

Page's corporate, financial and leadership experience as well as his expertise in the transport and financial industries will help Concargo through its high growth period and help expand its role in the industry.

The company's services include abnormal load haulage, national and over-border Africa road haulage, supply of mobile cranes, warehousing solutions and mission-critical logistics.
