

# Malawi: Information minister threatens journalist

Information and Civic Education minister, Patricia Kaliati is reported to have verbally assaulted freelance journalist, [Gregory Gondwe](#), following the article '[Government condemns Sunday Times assessment](#)', in which Gondwe reports on the annual assessment of the presidential cabinet by the *Sunday Times*.

Freelance journalist,  
Gregory Gondwe

According to a release issued by the Malawi chapter of the Media Institute of Southern Africa (MISA-Malawi), Kaliati is said to have accused Gondwe of having a personal vendetta against her and the people from her region, the same region where Malawian president, Bingu wa Mutharika, hails from.
