- Khanyi Dhlomo, founding editor of *Destiny* and managing CEO of Ndalo Media;
- Terry Volkwyn, CEO of Primedia Broadcasting;
- Anele Mdoda, Highveld Stereo drive-time DJ;
- Sonja de Bruyn Sebotsa, co-founder of investment boutique Identity Partners; and
- Judi Nwokedi, senior executive for French nuclear firm Areva

In keeping with its mentorship focus, a round table discussion was held with the mentees, where the mentors offered sound business advice as well as how to balance work and home life. The issue also features the Power of 40 Report, sponsored by Mazda, which highlights 40 women, under the age of 40, who are making waves in their respective industries, including fashion, science, aviation, education, film and entertainment.
