

Cirque du Soleil to perform 10 SA shows with Dralion

Cirque du Soleil has announced its return to South Africa with Dralion, performing six shows from 5 March at the Grand Arena, GrandWest, Cape Town and four shows from 21 March, 2013 at the Coca-Cola Dome, Joburg.

Fusing the 3000-year-old tradition of Chinese acrobatic arts with the multidisciplinary approach of Cirque du Soleil, Dralion (pronounced "Dra-lee-on") draws its inspiration from Eastern philosophy and its never-ending quest for harmony between humans and nature. The show's name is derived from its two emblematic creatures: the dragon, symbolizing the East, and the lion, symbolizing the West.

The four elements

In Dralion, the four elements that govern the natural order take on a human form. Thus embodied, each element is represented by its own evocative colour: air is blue; water is green; fire is red; earth is ochre. In the world of Dralion, cultures blend, man and nature are one, and balance is achieved.

Exclusive tickets offer for Dralion are available now online to Cirque Club members. Cirque Club membership is free and benefits includes access to advance tickets, special offers and exclusive behind the scenes information. To join, go to www.cirqueclub.com.
