

Correction: ADC awards, Chelsea Flower show sponsorship

Bizcommunity.com regrets any confusion caused by these errors: There was only [one South African Bronze ADC Cube winner](#): Dream Real had been used by ADC as a test case when compiling an early version of the winners' spreadsheet and should have been deleted by ADC before the spreadsheet was finalised. ADC also apologises for the mix-up and any confusion caused.

Regarding [Kirstenbosch team's sponsorship for the 2012 Chelsea Flower Show](#) taking place 22-26 May 2012, the original press release issued by Meropa Communications on behalf of SAGCE incorrectly stated that the Western Cape Government was the main sponsor this year. South African National Biodiversity Institute (Kirstenbosch) has since informed Bizcommunity.com that SAGCE is the main sponsor and that the provincial government is not involved.
