

New vintages from Groote Post Vineyards

Groote Post Vineyards has released its 2011 Unwooded Chardonnay and the Reserve Pinot Noir 2009.

The Unwooded Chardonnay's full flavour, excellent fruit, creaminess, good length and lively acid structure make it excellent with chicken. It retails nationally at approximately R70.

The Reserve Pinot Noir 2009 is more European-style Pinot Noir than previous vintages, displaying suitably restrained plum and raspberry notes with savoury, dried-beef flavours. Pairing well with venison, it retails nationally at approximately R135.
