

Entrepreneurs' competition in Innov8t

Innov8t magazine has launched its Innov8tor of the Month competition, which encourages entrepreneurs who've been in business less than seven years to enter their innovative methods to grow and sustain their businesses. Prizes include a full feature in the magazine profiling the winner's business, a full colour ad, a marketing consultant assessment, and wellness and pampering sessions to ensure the winner continues to put his/her best foot forward. Send entries by email to editor@innov8tmag.co.za. Entries close 20 March 2011.
