

## AMASA year-end party

25 October 2012 saw The Thatcher's Pub & Grill come alive with AMASA peeps coming out to play.

As the theme of the night at the annual AMASA party was "Shebeen style" SABC group sales teams were not to be outdone as they stole the show in their "Izikhothane" theme, which perfectly suited the theme of the night.

Colourful, fun and funky, SABC sales teams were the lime light of the night as the crowd of hundreds went wild to the sounds of 5FM's Rob Forbes, Fix and DJ Milkshake, Metro FM's Sphectacula and DJ Naves, as well as Good Hope FM's Stephie B and Mixi.
