

ICASA media briefing, Monday 16 April

The [Independent Communications Authority of South Africa \(ICASA\)](http://www.icasa.org.za) will make compliance reports for a certain number of electronic communications and network service licensees (ECS/ECNS) as well as broadcasting service licensees available to the public. Interested stakeholders and the media are invited to a media breakfast briefing on Monday, 16 April 2012, at its head office, 164 Katherine Street, Sandton, 9am-11am.
