

Great Stock! offers brand-new OJO Image collection

OJO Images is an all-new image collection, but brings together seasoned and proven talents, including a group award-winning photographers with a clear desire to be the ultimate in Royalty Free imagery.

Issued by [Greatstock](#) 21 Oct 2007

The OJO collection is already growing in leaps and bounds, remaining true to their founding vision of creating a truly premium brand, with strong creative concepts and creative depth, great technical skills and the highest possible production values according to Great Stock's Margi Sheard: "We have dealt with key OJO personnel for several years and know that they have an excellent eye for what creatives are looking for. ('OJO' is Spanish for eye). This collection is one of many superb collections available on www.greatstock.co.za and part of our commitment to provide highest quality and a broadest selection of styles and themes to our clients."
