

Men's Health Menswear Collection 2012

South Africa's only fashion show dedicated to menswear - the Men's Health Menswear Collection - took place in Newtown on Friday night, 21 September 2012. Guests were treated to a fashion spectacular and a sneak preview of some of the upcoming summer trends and ranges for men.

Seen on the runway were the latest styles from adidas Originals, Carducci78, CAT, Diesel, D.66, Hackett London, Jeep, Mr Price, Porsche Design, Pringle of Scotland, Timberland, True Religion and Wrangler. The models included international Jamaican model, Stevel Marc, along with previous Men's Health cover models, Ryan Botha, Max Mmethi and Gregg Hammond.

Men's Health Fashion Editor, Azeez Jacobs commented: "Going into summer, there are some hot trends in men's style that upgrade any guy's wardrobe! The showcase of brands at the Men's Health Menswear Collection showed how far men's fashion has come, but for more inspiring looks and tips, check out the Men's Health October issue Guide to Style!"

The October issue of Men's Health is now on sale.
