

4th Street Wines is *Project Runway* SA's headline sponsor

4th Street Wines has come onboard with Ndalo Pictures to sponsor the first season of *Project Runway* South Africa. Ndalo Pictures secured the rights to produce *Project Runway* South Africa and along with production partner Rapid Blue.

The local version of the show is set to follow the same format as Lifetime's US original, but with some local twists and a 4th Street Wines-themed challenge. *Project Runway* South Africa will debut on Mzansi Magic (DStv channel 161) in July 2018.
