Millward Brown's Best Liked Ads list celebrates South Africa's favourite TV commercials.

These are the ads that have been rated as the best liked by the South African audience whom we believe to be the most important critic - the person who ultimately chooses to buy your brand or not. Babies, cute kids and celebs are still engaging audiences, and the local is lekker trend continues and becomes even more emotive; with local humour and authenticity hitting the mark with slice of life stories that tap into fundamental human truths.
