

NYF Advertising Awards premieres new episodes

The New York Festivals International Advertising Awards released two new episodes of “Creativity From The Other Side” with David Sable this week, with two more episodes set to be launch next week. The 30 to 40-minute episodes are hosted by WPP senior advisor David Sable and feature interviews with creatives from various areas of art and business.

In this episode, Sable chats to VMLY&R NY executive creative director NY and 2020 NYF executive jury member, Nathalie Brown:
