Musica- Deaf Awareness Week- 'Deaf'- Jupiter Drawing Room.

Judges Comments

A grumpy and miserly jury. The work was better than the scores given. One or two staggering pieces of work, but the winner just scraped through to Ad of the Year.

The TV winner was a cracker and the panel couldn't praise it enough. In outdoor, 'Spray and Cook was also highly complimented. Radio was low, although the winner was excellent. Only the magazine winner goes through to Ad of the Year.
- *Chairman, Alistair King*
