

FIPP Congress extends early bird discount

The "early bird" registration deadline for the 36th FIPP World Magazine Congress, 13 - 15 May 2007, in Beijing, China has been extended until 31 January 2007. This is due to technical problems as a result of damage to the Internet link between the Chinese mainland and foreign countries following an earthquake in Taiwan. In the meantime, the order form can be downloaded [here](#) and faxed back +86 10 6430 1108 (China). The online link is www.fipp36china.com.
