

## Digital networking company celebrates first year

Digital Crunch is celebrating one year of successful digital and social media networking. It holds a monthly event with over 35 business leaders, entrepreneurs, up and coming digital and social media people in the industry, leaders in brands and people interested in the digital space that are in other industries. Founded by Ryan Sauer, director of SOC and Cherylann Smith, director at WeCollaborate, it has sponsorships from [www.justplay.co.za](http://www.justplay.co.za) and <http://parcelninja.co.za> working collaboratively to add lucky draw prizes and food and drinks to its #Crunchers, hosted at Full Stop Café in Parktown.
