

Submit your entry for Resfest 2004

Issued by [Resfest Africa](#)

12 May 2004

Last year, two South African films were shown at the Worldwide Touring Resfest. The films were shown in 18 countries, including America, Japan, Australia and countries throughout Europe.

We are offering the same opportunity to our local filmmakers, this year. Submit your entry for Resfest 2004, and stand in line to gain invaluable national and international exposure.

Last year there was a section concentrating solely on African entries, in the Resfest 2003 programme. The best 15 entries were also screened at the Design Indaba Expo, this year. The Expo attracted over 11 000 visitors and offered wonderful exposure to talented, digital filmmakers, so submit your entry now.

Submissions must be sent to:
