

## Transpaco expects higher earnings

Packaging group Transpaco on Wednesday, 18 June 2009, advised that earnings per share and headline earnings per share were expected to be between 70% and 80% higher for the year ended 30 June, against results reported in 2008. The forecast has not been reviewed or reported on by the company's auditors. Transpaco said it expected to publish its results towards the end of August 2009.
