

Bartholomeus Klip destined for Manley Communications

Manley Communications have announced the inclusion of exclusive destination Bartholomeus Klip to their portfolio.

Located in the Swartland region of the Western Cape and near the fertile Riebeek Valley, Bartholomeus Klip is set on a 4000 hectare nature reserve and working farm. The farmhouse offers four carefully restored double rooms which have en suite bathrooms in true Victorian style. From the farm's generous kitchen comes a procession of gourmet meals served in the sun-filled conservatory or take afternoon tea under the trees in the beautiful garden.
