

Total Media Gets a grip on Handles Inc.

Following their recent win at the 2009 Prisa PRISM Awards, Total Media continues their business momentum having recently signed up door couture company, Handles Inc., an exclusive distributor of handles and accessories that retails 11 international designer brands directly to specifiers and the public.

Communication and product placement on the Handles Inc. account will be handled by the consumer/lifestyle division of Total Media, who have vast experience in developing luxury consumer products in the décor and lifestyle arena into household names.
