

Pick n Pay launches Cricket Super Cards collectables ahead of Cricket World Cup

Pick n Pay has launched Cricket Super Cards in stores nationwide for South Africans as collectables.

Customers will receive a pack of two Cricket Super Cards when spending over R150 in Pick n Pay stores until 7 July 2019. There are 60 cards to collect, which range from Proteas men and women cards to local stadium and jersey cards. Each card has a fun fact or details about players.

To easily track the collection of cards, customers can buy an album - for an extra R20 - or download the Pick n Pay Super Cards mobile app for free.
