

Call for papers: SA Innovation Summit

We are calling on innovation managers, inventors, entrepreneurs, funders and policy makers and all the wonderful contributors who accelerate innovation to make this the best [SA Innovation Summit](#) yet!

The Call for Papers invites academics and practitioners to submit abstracts for papers and workshops that align with our 2014 theme. This year the [key focus areas](#) are expansive because we want to include more diverse perspectives into the conversations. These will guide the topics for submission, while due process and specific criteria will be applied in the selection process.

Academics can submit [here](#), and practitioners can submit papers via this [link](#).
