

First 2012 CSI project for Ligwalagwala FM

Executive mayor of Chief Albert Luthuli Municipality, BP Shiba, speaking to members of Sibusisiwe Foundation, employees of Ligwalagwala FM and disabled children

In partnership with Sibusisiwe Foundation and Chief Albert Luthuli Local Municipality, [Ligwalagwala FM](#) donated a fence, water tank and wheel chairs to Nantithuba Stimulation Centre at Mpuluzi, a day care centre that caters for 12 kids living with disabilities, on Wednesday, 8 February 2012, the first of its 2012 CSI projects. The station is trying to change the public's perception about people living with disabilities and this was an opportunity to educate the community, as well as encourage society to begin appreciating the disabled community, especially the children.
