

Making music and a difference for StreetSmart SA

StreetSmart South Africa, a NPO that works in partnership with restaurants to support the greater process of normalisation of street children, was the sole beneficiary of the sold out concert held in the University of Cape Town's Jameson Hall in celebration of Verdi's 202nd birthday.

The collaborative choral performance of Verdi's Requiem by the Symphony Choir of Cape Town, Stadskoor Tygerberg and Vox Humana accompanied by the UCT Symphony Orchestra raised needed funds to alleviate the plight of Cape Town's street children.
