

# Network with the Marketing Circle

The Marketing Circle, a monthly networking event for the marketing and advertising communities of the Western Cape, will meet again on Wednesday, 6 October, at the Winchester Mansions Hotel in Cape Town. The circle is intended to introduce individuals and companies to one another, to share interests, business opportunities, trends and accomplishments.

Each company attending is given an opportunity to take centre stage for one minute to introduce themselves to a diverse group of marketing consultants, advertising executives, designers, copywriters and journalists.

Media partners, Bizcommunity.com, will be attending represented by co-founder Andre Rademan together with his Cape-based team. Meet the faces behind South Africa's leading daily advertising, marketing and media news resource for the industry and find out how your company can benefit from Bizcommunity.com's marketing opportunities.

"Bizcommunity has been our selected media partner since inception in April 2004. Through Bizcommunity, we have managed to attract a wide and diverse range of individuals from all areas of the marketing and advertising industries from the highly successful one man bands such as Barry Klopper Creative Marketing and Caperberry Gifts to the very large corporates requiring these services such as Allan Gray, SAB and Old Mutual. All have been beneficial to our networking objective" says Judith Middleton, co-founder of the Marketing Circle

The next Marketing Circle event is scheduled to take place on the **6th of October** at the Winchester Mansions Hotel in Sea Point at **6pm**. Entrance is free but drinks are not.
