

Non-resident golfers welcome at Pearl Valley

Pearl Valley Golf & Country Estate in Paarl in the Western Cape has broadened their membership offering for 2014 through the introduction of non-resident golf membership.

Named Golf Digest's Best Conditioned Golf Course in the Western Cape for 2010, 2011 and 2012 and awarded Compleat Golfer's 5-Star Experience Award for five consecutive years, membership to this prestigious course has now become more accessible.

Non-resident golf membership provides golfers not living on the estate with the opportunity to enjoy golf member privileges, such as unlimited green fees, golf member tee times, and access to golf member competitions.

Limited membership

"We realise that there are a number of golfers living in the Winelands and Cape Town region who would benefit from member access to our championship golf course and we look forward to welcoming them as golf members and growing our membership base," says Pearl Valley's general manager, Gawie Marx.

Pearl Valley places great importance on catering for the needs of its current residents and golf members and as a result only a limited number of non-resident golf memberships will be made available in 2014.
