

POLO Pink Pony brunch

The POLO International Horse Trials kicked off on Friday 3 October with the dressage phase at the Kyalami Equestrian Park, whilst the POLO Pink Pony brunch in aid of Breast Cancer Awareness month was hosted alongside.

This event aims to raise awareness for The Cancer Association of South Africa (CANSA) through POLO's Pink Pony Campaign where a limited edition collection of Pink Pony merchandise is sold in aid of CANSA. Guests were also able to purchase some of these items on the day at the POLO pop-up store.
