

Twenty-five years of Splashy Fen

Running from 17 to 21 April, 2014, Splashy Fen 25 promises a line-up of more than 80 of South Africa's hottest acts.

Including the likes of Jeremy Loops, Matthew Mole, Gangs of Ballet, Arno Carstens and Francois van Coke, The Black Cat Bones, Chris Chameleon, Nibs van der Spuy, The Guy Buttery Band, Dan Patlansky, Haggis and Bong, The Kiffness, and Sibot & Toyota. And as part of the quarter-century celebrations, this year will also feature the return of some of the "showstopper" bands that have helped build Splashy - names like Just Jinjer, Squeal, Tree63 and Wonderboom.

Festival-goers can expect non-stop entertainment, top-class sound and lighting, as well as stand-up comedy, loads of food and drink outlets, a craft market and retail area, plus various camping and accommodation options.

Tickets are available at Computicket and include camping for the entire four-night, five-day festival. For more information, go to www.splashyfen.co.za or contact +27 (0)31 563 0824.
