

Charles Webster, Lars Behrenroth to headline Spring Fiesta

The annual Spring Fiesta will be held at the Wild Waters Complex in Ekurhuleni on 6 October 2018. The eighth instalment of the event is set to showcase local hit-makers alongside international headliners Charles Webster and Lars Behrenroth.

A change to the event is that the hip-hop floor will now be called 'in the trap' and hosted by Da Les.

Festival director Ricardo da Costa says: "We're excited to bring you a production experience that is going to blow your mind. If you thought our 37m high butterfly was impressive, wait 'til you see what we have planned for the real headliners the fans."
