1 Dec 2020

We could all do with an extra R20,000 in our pockets at the best of times and even more so at the worst of times. We know this year has been rough and it has been unpredictable, however, the one thing that you can predict... **Three** lucky winners will walk away with a 13th cheque, to the value of R20,000 each, thanks to Smile 90.4FM and Lottoland.

Winning has never been so effortless. You could be R20,000 richer in just four simple steps.

- Download the Smile 90.4FM app from the App Store or the Google Play Store.
- Register by filling in the details to create your very own profile on our app, or if you are an existing Smile 90.4FM app user, simply update your details.
- Tune into *Smile Breakfast with Bobby and Lindy*, every Friday until 18 December 2020 to hear if they call out your name.
- If you hear your name, call us back on 0861 99 00 44 within nine minutes and four seconds... the first one to call us back wins!

“With 2020 probably being the most difficult year most of us will live through - very few, if any, will be getting a bonus or 13th cheque in 2020. It is for this reason that we decided to guarantee R20,000 for three lucky listeners. What could be better than going into the festive season with an extra R20,000,” said Smile 90.4FM programme manager Naveen Singh.

Whether you’re looking to spoil yourself or your loved ones, finally sign up for that online course or simply ease the pressure this holiday season, you could be four steps away from that 13th cheque.
