

Frankie du Toit replaces Darren Scott

As of yesterday, Monday, 12 September 2011, Frankie du Toit is now the Jacaranda 94.2 Breakfast show host. He replaces Darren Scott, who [resigned last week](#) after a huge outcry against his racist behaviour at a recent team-building event.

Du Toit will be joined by the rest of the team South Africans have come to know and love in bringing you all your favourites (including up-to-date traffic reports, reasons to be cheerful, the 7:20 Car-Toon, Jacaranda 94.2 Good Morning Angels and many more): Robbie Kruse (traffic), John Walland (sport), Nicole Flint (weather) and Dianne Broodryk (news and Good Morning Angels).

Julio Garcia will take over the 10am-1pm weekday Workzone slot.
