

Promoting happy pets in Montego's new TV ad

Family, love, quality and happy pets are all very important values of the Montego Pet Nutrition brand and their exciting new TV advert celebrates each of those facets with the help of an irresistible, smiling Border collie named Epic.

Filmed in the heart of the Karoo at the Montego Pet Nutrition factory in Graaff-Reinet, the advert focuses on the dedication and loyalty of its employees and showcases how their hard work makes for happy, healthy pets.

The new Montego Pet Nutrition TV ad will be broadcast nationally from this week on DStv channels, including M-Net and kykNET. You can also check it out online: www.montego.co.za
