

## **#DrosRape story is the third-largest story of the week**

According to a seven-day social media analysis by Acumen Media, the #DrosRape scandal is the third- biggest story of the week in the country.

Social media was filled with violent images arising from the incident and social media's #MobJustice took hold, images and the graphic scenes from the restaurant drove social media to hunt.

#HeritageDay and #WeedLegalised were the two biggest stories of the week.
