

Augie Chun's judging pick of the day

Judging for The One Club for Creativity's One Show 2019 and ADC 98th Annual Awards is underway in Punta Cana, Dominican Republic, where more than 150 creatives from around the world are gathering judge work.

In this video, Augie Chun, Head of West, creative strategy at Snapchat and ADC 98th Annual Awards Interactive judge, was more than happy to get lost in "The Maze", which is why he selected it as his pick of the day. *Westworld* is a gripping sci-fi western that will have you questioning reality and consciousness as much as the characters on the show do. And to turn an already absorbing show into an even deeper experience, 360i and HBO teamed up to create "*Westworld: The Maze*" a voice game for Alexa-enabled devices that transports fans into the show.
