

M&B unveils Vitality Open menu

Mugg and Bean (M&B) unveiled a new snack menu. The new menu is in support of Discovery's 10-week Vitality Open campaign.

The menu includes smashed avo and egg on toast, Moroccan butternut and chickpea salad, and avo and rainbow slaw toast in the sit-down restaurants and fresh berry blaze and caprese sandwich in the on-the-move outlets. The Vitality Open campaign offers half-priced M&B coffee to users that reach either their fitness or driving goals over a 10-week challenge programme.

For more information, download the Discovery App from either Google Play or the App Store, or visit the [M&B](#) website to see how to redeem.
