Following the Visual Brand Exhibition at GIBS during Brand Week, where more than 120 exhibits were brought together by Brands & Branding, The Brand Museum Project and a variety of contributors from the advertising and branding communities, limited edition prints of selected work are being offered for sale as part of a fundraiser for the Brand Inspiration Museum project.

To view the Heritage Poster Print Shop, go to [www.brandsandbranding.co.za](http://www.brandsandbranding.co.za) and browse through the affordable prints available in various sizes that can be printed on art paper or canvas.
