

South African Small Business Awards 2020 announces Top 20

Ending off its 12th successive year, the National Small Business Chamber (NSBC) in association with World Famous Events, announced South Africa's 'Top 20' for the 2020 South African Small Business Awards. These annual awards have gathered a diverse range of entries all with one thing in common, a driving entrepreneurial force.

“Despite the Covid-19 Pandemic, we are astounded at the diversity, quality and number of entrants this year, but equally encouraged as it shows the depth and breadth of South Africa’s entrepreneurial spirit. Growing small and medium businesses is vital to the local economy and its ever-growing rate of unemployment. This type of innovation and entrepreneurial spirit will undoubtedly cultivate a much healthier business landscape for all involved,” says Mike Anderson, founder and CEO of the NSBC.

The 2020 ‘Top 20’ all receive a ‘Top 20’ Winner Award, and are all automatic finalists for the category and special awards. Anderson says the categories are selected with strategic intent, paying homage to sectors within the business landscape that potentially present greater stumbling blocks to success.

The 2020 categories are as follows:

- 2020 National Small Business Champion
- 2020 National Entrepreneur Champion
- 2020 National Woman in Business Champion
- 2020 National Start-Up Award
- 2020 National Special Awards

The 2020 awards are sponsored by Discovery, Absa, Vodacom, Netstar and MTN.

“We are humbled by the support of such esteemed industry leaders. Without their commitment to building tomorrow’s entrepreneurs, these businesses, would have fewer opportunities to thrive and flourish,” says Anderson.

The ‘Top 20’ not only get acknowledged as winners for this accomplishment, but are also in line to win a category and/or a special award.

“Each entrant has in some way made a difference to someone’s life, either through employing them or by offering service to them. At the heart of this great nation is its people and I am proud to be associated with all these very worthy winners,” says Anderson.

He says that the NSBC would not only like to congratulate the ‘Top 20’, but also thank them for their positivity and resiliency during these trying times as well as their relentless commitment to building a better tomorrow. This year’s Gala Awards will be unique as it will be virtual. The virtual event will take place on Thursday, 19 November 2020.
