

#LetsTalkDigital: Nunu Ntshingila: Facebook The Next Frontier

Check out this week's episode with our guest Nunu Ntshingila, Head of Facebook Africa, talking about the Next Frontier from a Facebook perspective on what is driving humanity today. One is the idea of a much more connected world and the second is the technologies that are enabling change.

Nunu gives us insights into the top three trends which she believes will have a huge impact on how brands will operate both within a public and private space in the future.
